"From the Pastor's Desk"

Dear St. Anthony Parish Family:

As we see the summer rushing by us so quickly, I came across a few words which Pope Leo spoke recently (last week with the Gospel of Martha and Mary) regarding our prayerful disposition for this season: "Summer can be a providential time to experience the beauty and importance of our relationship with God, and how much it can help us to be more open, more welcoming to others."

During the summer, we have more free time in which to gather our thoughts and reflect, and also to travel and spend time with each other. Let us make good use of this, by leaving behind the whirlwind of commitments and worries in order to savor a few moments of peace, of reflection, taking time as well to visit other places and share in the joy of seeing others. Let us make summer an opportunity to care for others, to get to know each other and to offer advice and a listening ear, for these are expressions of love, and that is something we all need. Let us do so with courage. In this way, through solidarity, in the sharing of faith and life, we will help to promote a culture of peace, helping those around us to overcome divisions and hostility and to build communion between individuals, peoples and religions.

Pope Francis said "If we want to savor life with joy, we must associate these two approaches: on the one hand, 'being at the feet' of Jesus, in order to listen to him as he reveals to us the secret of everything; on the other, being attentive and ready in hospitality, when he passes and knocks at our door, with the face of a friend who needs a moment of rest and fraternity." These words were pronounced just a few months before the pandemic broke out; that long and difficult experience, which we still remember, taught us much about their truth.

Certainly, all of this requires effort. Serving and listening do not always come easily; they require hard work and the ability to make sacrifices. For instance, it takes an effort in listening and serving in order to be faithful and loving mothers and fathers raising their family, just as it requires effort for children to respond to their parents' hard work at home and at school. It also requires effort in order to understand each other when there are disagreements, to forgive when mistakes are made, to help when someone is sick, and to comfort one another in times of sadness. But it is precisely by making an effort that something worthwhile can be built in life; it is the only way to form and nurture strong and genuine relationships between people. Thus, with the foundations of everyday life, the Kingdom of God grows and manifests its presence (cf. Lk 7:18-22)."

Enjoy what we have left of summer!

Fr. Peter Harman
