"From the Pastor's Desk"

Dear St. Anthony Parish Family:

What a great weekend for our St. Anthony Parish Picnic! Final totals will be known after all expenses are accounted for, but it stands to be one of our more successful and well-attended. The enthusiasm of the crowds and the manageable weather made for a delightful picnic. Thanks go to so many who helped organize, set-up, staff, cook and serve at the various stands and venues, we know that it is a lot of work! Everyone seemed to enjoy themselves as I made my way around the stands and tents on Saturday night and Sunday afternoon and evening. And the dinner was well attended and delicious. It is a reminder of our profound blessings as a St. Anthony parish family.

The blessings continued as we began school this week. For the third year in a row, the high school began the year with a Freshman Orientation/Retreat Day on Monday, concluding with a Eucharistic Procession to the Church. It was a day of grace and good beginnings to set the year on the right tone of being founded on the faith, and helping the students appreciate the role of their faith in their academic formation. Our high school administration and theology staff are to be thanked for their work in making this an intentional foundation for the students. The remainder of our high school students and St. Anthony Grade School returned to begin the year on Wednesday. While nearly all agree that the summer seemed to go faster than it should, we are also grateful to have everyone back on campus to begin a new year. May God bless all that happens here this year, to guide and bless our excellent teachers and administration, and let our young disciples grow closer to Him in knowledge and faith. Thank you for your prayers and support.

You may have noticed some work going on behind the rectory. A parishioner has donated the construction and furnishing of a porch extension which will offer some shaded area on the concrete patio as well as a fireplace and grill. We are grateful for such a kind and unsolicited but appreciated gift!

Have a great week!

Fr. Peter Harman, Pastor

Have you or someone you know been thinking about becoming Catholic? A new session of Order of Christian Initiation for Adults (OCIA) will begin

in September. Perhaps you, someone in your family, or a friend or co-worker have been thinking about the Catholic faith and would like to learn more. We invite you to call the parish office at 217-347-7129 for more information. We also encourage all parishioners to pray for those who are being called to learn more about the Catholic faith. Each prayer can be a lever to prompt others to listen to a personal call to deepen and experience their faith journey. If you know of someone who may need asking, call the parish office so we may extend an invitation.

Elise Frederick will be speaking at all Masses the weekend of August 30 – August 31 on behalf of MISSION Mission Doctors Association as part of the Diocese of Springfield Missionary Cooperative Plan. She is the Doctors Executive Director of Mission Doctors Association, having worked with Mission Doctors Association (MDA) for more than 42 years. Prior to joining the MDA team, Elise served with her, then young family, for three years in the Northeast of Thailand. Elise may seem an unlikely missionary as a mother of four and grandmother of eight, but she traces this to her mother's quiet style of evangelization.

Since 1959, Mission Doctors Association has made it possible for Catholic Doctors, Dentists, Physician Assistants, and Nurse Practitioners to share their gifts and live their faith at mission hospitals in Africa, Asia, Latin America, and the Pacific. These medical professionals provide both direct patient care and training for local healthcare professionals, always with the goal of working themselves out of a job.

A Mission of Healing and Partnership of Hope, Mission Doctors invite everyone to keep all the Medical Professionals and their patients in our prayers. Please consider supporting the life-saving work of MDA with your prayers and financial support for our Mission Co-op weekend. www.missiondoctors.org
